

Parents of 9th-12th grade,

I've always wanted to take students on an adventure trip where we strip away our modern luxuries and are moved by the Wonder of God through observing his creation, Discover our gifts and purpose along the way, and develop a renewed Passion to engage the world.

"The Journey" is an attempt at this idea.

The Journey is a spiritual pilgrimage to a specific destination (one of our national parks) with the goal of encountering God along the way. We will spend time in his word and listening to his voice without all the distractions of our hurried lives. This year's Journey will take us to the Grand Canyon National Park and Havasu Falls. We will, hike, camp, backpack, explore, and experience God along the way.

- We are looking to partner with our boy scout troop at EBC to include their expertise and supplies that are needed for such a trip as this.
- A \$50 deposit is due on March 21st. The full refund will be given, if we don't have at least 12 students registered.
- The total cost of the trip is \$199 including the sky walk over the grand canyon.
- Fundraising will be offered through our summer project fundraising (donut cards and coffee).
